

**Starting September 2009,  
Alberta educators can access “The Montie”  
through LearnAlberta.**

**The Job Safety Skills Society has purchased a provincial licence that enables Alberta Education to have The Montie’s 70+ safety-related videos available via LearnAlberta.**

The Montie consists of a library of over 70 of Safety Care’s safety training video programs and will provide educators immediate access to one of the most comprehensive safety-related video collections.
